Worcestershire Young Carers

**Worcestershire
Young Carers**

Are you aged 6 – 25 years old caring for someone you live with?

We provide young people with the opportunity to attend a variety of activities, youth groups and events within the community.

Dependant on the level of need we also provide one to one support with either a keyworker or one of our trained volunteers.

We work closely with the education sector to improve the identification and support of young carers, ensuring they are safe, healthy, aspiring and achieving.

Our Participation Group, made up of young carers, highlights their needs and helps get their voices heard by organisations and services that support them.

Regardless of their caring responsibilities, young people should have the opportunity to meet new people, make friends and have fun.
